In substitution of Appendix 'A' to the Settlement on 'Other Issues' dated 8th November 1973 between IBA and AIBEA the procedure to be followed in respect of reimbursement of expenses on hospitalisation of workmen and their families for the diseases/accidents enumerated in Clause 18(i) of the Bipartite Settlement dated 31st October 1979 and Clause 7(i) of the Bipartite Settlement dated 22nd November 1979, shall, with effect from 1st January 1982, be as laid down in Schedule II hereto.

9. Special Area Allowance

Parties agree that in terms of Clause 19 of the Bipartite Settlement dated 31st October 1979 and Clause 27 of the Bipartite Settlement dated 22nd November 1979, special area allowance will be paid to all full time workmen staff working at ^places specified in Schedule III hereto at the rates stipulated against each such place, with effect from 1st March 1981, at the places set out in Column 1 of Schedule III, the rate of such

special allowance being 10% of the basic pay ('Pay' as defined in the Bipartite Settlement for payment of house rent allowance) subject to minimum and maximum amounts as set out in Column 2 of Schedule III against each such place.

The special area allowance will be payable subject to the following conditions :

- (a) The allowance payable at any place shall be discontinued if such allowance (called by any name whatever) ceases to be payable to the employees of the Central Government.
- (b) The allowance will continue to be payable at the stipulated rate only until such time as there is no direction to the contrary from the Government and thereafter subject to such direction.
- (c) Where, however, on the date on which this Settlement comes into force if any workman at the specified places was receiving a special area allowance (called by any name whatever) at a rate higher than that prescribed above, the difference in amount shall be protected and paid as an adjusting allowance.
- (d) The adjusting allowance referred to above shall cease to be payable to an employee when he ceases to draw special area allowance consequent on his transfer or posting elsewhere or stoppage of payment of the allowance at that place.
- (e) Assam Allowance (called by any name whatever) paid prior to or in terms of Settlement dated 21st April 1980, between the parties shall cease to be payable from 1st March 1981 at places where special area allowance is payable under the Settlement. Appropriate adjustments will be made while disbursing the arrears of special area allowance in terms of this Settlement.

10. Fitment of Part-time Employees

Parties agree that for fitment of part-time employees consequent on their appointment on full time basis the pro rata increments earned by them in the course of their part-time service should be converted (notionally and only for the purposes of fitment) into full increments and their salary fitted from the date of their appointment as full time employees after taking into account such notionally added increments, the fraction of an increment if any, being granted to them by advancing the date of their next increment suitably. The advanced date of the increment will in such cases, become the date of their annual increment in future years.

When wages of part-time employees are refixed from 1/3 to 1/2 or 3/4 or from 1/2 to 3/4 in the wage scales, the pro rata increments earned by them in the course of their service in the lower proportionate wage scale should be taken into account for the purpose of fitment in the higher proportionate wage scale together with the benefit of advancing the date of increment where the fraction of increment is involved as in the case of their absorption as full time employees. The benefit of fitment on the above basis shall be given with effect from 1st January 1980.

11. Date of Effect

This Settlement will come into force with effect from the date hereof and shall remain in force for a period of 4 years and the terms and conditions hereof shall continue to govern and bind the parties even thereafter until the Settlement is terminated by either party giving to the other a statutory notice as prescribed in law for the time being in force.

12. The AIBEA and the NCBE on behalf of the workmen agree that during the operation of this Settlement the workmen will not raise any demand of any nature whatsoever on any of the banks in respect of matters covered by this Memorandum of Settlement.

13. Copies of this Memorandum of Settlement will be jointly forwarded by the parties to the authorities listed under Rule 58 of the Industrial Disputes Act (Central Rules) so that terms and conditions thereof are binding on the parties as provided in law.

14. If any doubt or difficulty arises regarding interpretation of any provision of this Settlement the matter will be taken up only at the level of Indian Banks' Association and the All India Bank Employees' Association and National Confederation of Bank Employees for discussion and Settlement.

15. Arrears, if any, payable in terms of this Settlement shall be paid within a period of 90 days from the date of this Settlement.

The Settlements were to remain in force for a period of four years with effect from 1st September 1978 and the said period expired on 31st August 1982;

(b) The AIBEA and the NCBE submitted their fresh Charters of Demands for revision of wages and other service conditions on 3rd January 1983 and 22nd February 1983, respectively to the IBA, and further requested to hold discussions with them, with a view to arriving at an amicable settlement;

(c) By a Memorandum of Settlement dated 7th April 1980, certain demands/issues set out in the Second Schedule to that Memorandum were referred to arbitration by a Board of Arbitrators. (d) The parties accordingly discussed the said demands on several occasions and an agreement has been reached in respect thereof and the same is recorded in this Settlement;

(e) The IBA has also served on the Unions on 26th March, 1984, a list of the issues on behalf of the managements of the banks, to be discussed and settled with a view to improving productivity in banks, providing for efficiency and better customer service, maintenance of better discipline and promote harmonious industrial relations ;

(e) The parties accordingly discussed the said issues on several occasions and an agreement has been reached in respect thereof and the same is also recorded in this Settlement;

(g) The parties agree that the matters agreed to under this Settlement shall be binding on them in terms of Section 18(1) of the Industrial Disputes Act 1947. and that this Settlement shall be filed with the appropriate authorities as required by Rule 58 of the Industrial Disputes (Central) Rules, 1957.

consolidated wages.

XVIII. Improvement in Working in Bank's Branches / Offices etc.

1. Having regard to the vital role of the banking industry in the national economy and the various social and economic responsibilities they have been entrusted with from time to time, parties agree that there is a need to improve housekeeping in the offices/branches of banks throughout the country, to ensure efficient cordial and speedy customer service at all times in the banking industry and to promote harmonious industrial relations and better discipline at all levels.

2. (1) Every workman shall take all possible steps to ensure and protect the interest of the bank and discharge his duties with utmost integrity, honesty, devotion and diligence.

(2) Every workman shall be at his place of work, commence the allotted work at the time fixed and notified, work for the full prescribed hours of work and give maximum output.

3. Unions agree that the authority of the branch manager/officer-in-charge in matters like deployment of staff from time to time and enforcement of rules of the bank in the matter of discipline, customer service and the like, shall be respected by all workmen so as to ensure that the day-to-day smooth and efficient functioning of the branch/office/department is not adversely affected. If, however, there be any grievance or dissatisfaction in regard to the handling of such matters by the branch manager or any other authority or in regard to the exercise of such authority, the matter shall be resolved expeditiously and amicably through mutual discussions with the branch manager or the authority concerned either by the

aggrieved workman himself or by the office-bearer(s) of the concerned union or its unit avoiding dislocation of customer service.

Managements discourage abuse of authority on the part of any branch manager or other authority concerned.

Unions deprecate use of any violence or abusive language or vulgar slogans by name against individual officers or their family members.

4. In furtherance of the objective towards improvement in working, parties reiterate for adherence by all concerned of what have been agreed to in Annexure I to the Settlement dated 31st October 1979.

“ANNEXURE I”

Restrictive Practices

Preamble - The IBA, AIBEA and NCBE are in full agreement that no efforts should be spared by them to ensure efficient courteous and speedy customer service in the banking industry. With this common objective in view, some “restrictive practices” were gone into jointly. The unions do not accept that there are any such practices, it is admitted by both sides that the details of situations or circumstances in which certain incidents might have taken place are not available and hence they cannot be gone into in detail. The Unions, however, make it clear that it has never been the intention of the Unions to indulge in any restrictive practices. The IBA concedes that in view of the size of the industry, there are difficulties in attaining perfection in the matter of control of the large workforce and also of regulation and distribution of work at all the offices in the country. Both, IBA and the Unions agree that much depends on the climate

that develops and the relations that are built at the various offices by mutual understanding and respect for each other’s difficulties.

Accordingly, the IBA, AIBEA and NCBE jointly express themselves on the issues as under :

(1) It is for the management to distribute the work equitably amongst the employees with a view to ensuring that every one has a full day’s work. Adjustments would, however, become necessary in the day-to-day working of the offices and in the interest of smooth working, the workmen should carry out all reasonable orders of the local management. The workmen would, however, be free to take up with the management any genuine difficulty in this behalf. The question

of fixing any arbitrary ceiling on quantum of work by the employees themselves does not, however, arise.

(2) While the services of senior employees would generally be utilised on desks requiring experience and knowledge, no one should refuse to work on any desk in exigencies that may arise.

(3) The allotment of ledger/s to ledger keepers would depend on the number of transactions and the volume of work and not on the number of ledgers. Accordingly, it may be justifiable and necessary to allot more than one ledger, whether in Current Account, Cash Credit, Demand Loan, etc.

(4) Employees with double designations such as clerk-typist, cashier-cum-clerk, etc., may be asked to perform both the duties on the same day. It would, however, be ensured that they are not subjected to frequent changes of work on the same day. Where an employee who is handling cash is asked to work outside cash section he should be given time to tally and hand over his cash,

(5) Where volume of cash work is not heavy, a cashier may be required to work both as a paying and receiving cashier.

(6) Godown-keepers attached to branches may be required to perform clerical duties whenever they are free from godown work.

(7) The system of checking payment made by an employee by another employee and of entrusting the job of issuing tokens exclusively to an employee, are prevailing only

in certain banks at certain centres. The managements may decide on their own about the necessity of continuance or otherwise of these systems.

(8) On special occasions it might be necessary to attend to cash transactions outside business hours. However, due care and caution should be exercised by managements in entertaining such late transactions; such late transactions should be duly authorised by a competent official.

(9) Normally cash should be accepted/paid at the cash counter. But employees should accept/ make payment of cash other than at cash counters under instructions from a competent official in special circumstances and in such cases the concerned employees would be granted immunity from attendant risks.

(10) The work of clerks posted in administrative offices includes drafting of letters, dealing with correspondence, etc. Similar work of a routine nature should also be performed by clerks posted in branches/departments and offices other than administrative offices.

(11) The balancing of ledgers/registers and calculations of monthly products/interest, etc., should not be claimed as work to be necessarily and essentially performed only outside normal working hours.

(12) An employee who is assigned special allowance duties must, subject to availability of time, also perform routine duties of his cadre.”
